Gladiolus, Dahlies, Perennials,
Rock Plants

Rudolph, Ohio

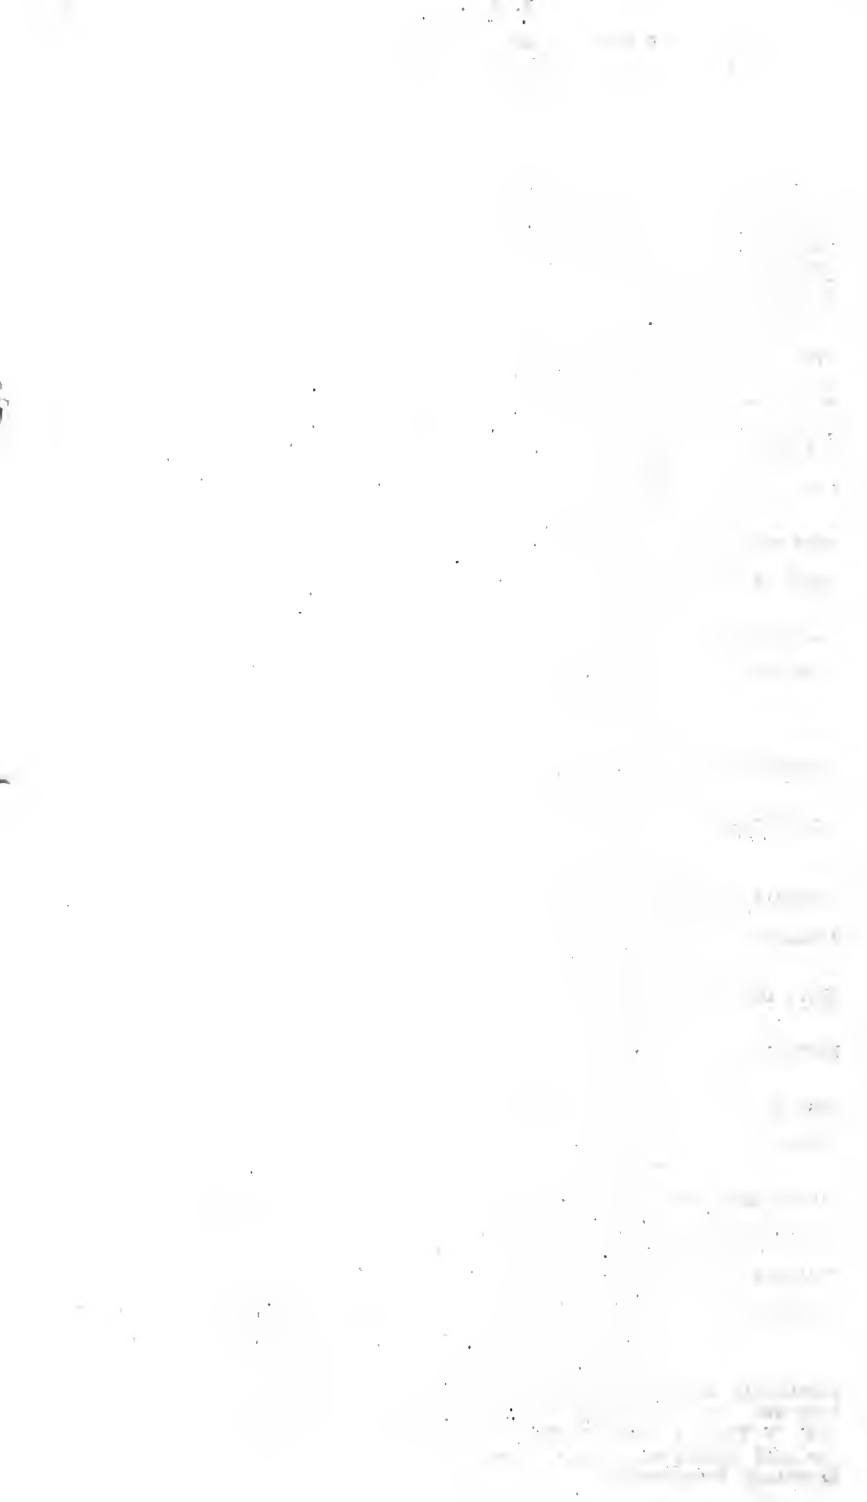

Price List Dahlias for 1932

The following Dahlias have all been tried and found most suitable for ordinary garden culture. All are good vigorous growers and free bloomers. The roots sent out are all good and plump, true to name and with one or more eyes. Under ordinary culture blooms of 5 to 8 inches are quite possible without dis-budding, 8 to 10 with dis-budding and a little feeding. Frequent, shallow cultivation is what produces results. Postage paid on all orders for \$1.00 or more. Shipment when requested, otherwise last two weeks in April.

- AMUN RA. Deep copper bronze. Wonderful color, vigorous grower, free bloomer and reliable. Roots 35¢ each.

GLADIOLUS PRICE LIST, SEASON OF 1932

W. W. WOOD

GLADIOLUS - DAHLIAS - PERENNIALS - ROCK PLANTS

RUDOLPH, OHIO

PRICES—The prices quoted in this list are guaranteed against lower quotations by reputable growers except where the price quoted is 5c or less. Good, clean bulbs can not be sold for less than the prices named and with the usual extras make wonderful buys.

TERMS—Cash or C. O. D. Your order can be booked now for delivery at any time you may wish. Your money can be sent just prior to the time you wish shipment made or the bulbs will be sent C. O. D. Postage paid on orders for \$1.00 or more.

SIZES—Prices are quoted on Large (L) size bulbs, 1 1/4 inch up; Medium (M) size, 3/4 inch to 1 1/4 inches. In most cases where medium or small size bulbs are not mentioned, I can supply them as well as bulbets. Send the amount asked for the large bulb or bulbs and I will send you a proportionately large number of the smaller sizes or bulbets. A dozen bulbs at the price of ten; one half dozen at the dozen rate.

NEW VARIETIES—I have many of the newer varieties on trial, but not in sufficient amount to list. I can many times give you a good price on these newer things. Ask about the ones you would like.
